

Jersey Textile Showcase 2010

Gina Ferrari

Proposed ideas for workshops

1. Bonded Books.

Create a small but exquisite origami folded book with a rich bonded and machine embroidered cover.

2. Fabrics from threads

Use machine embroidery to create a richly textured fabric constructed from threads which can then be made into a small object such as a needle case or mini bag/purse.

3. Book Structures

Learn different ways to construct small notebooks using folding and simple stitch techniques. (no machines required)

4. Jewelled Cuff.

Combine machine and hand stitching to create an exquisite jewelled cuff/bracelet.

5. Tyvek

Combine tyvek, beads and wire with machine stitching to make amazing beads, flowers and seed pods ... as wild as your imagination allows!
